Committee, Vizianagaram, dated 29-3-1948.

To

The Hon'ble Minister for Local Self Government,
Fort St. George, Madras

Sir,

Certain Municipalities are in a very bad Financial condition. It is necessary that such a specialised work as prevention of Malaria should be shouldered by the Government itself and poor Municipalities helped to look after providing essential amenities to the population in charge of them.

I hope this suggestion will receive your kind and careful consideration.

Thanking you.

Jai Hind,
Yours Sincerely,
